Notice of Proposed Action

July 11, 2007

The Nevada Division of Environmental Protection is issuing this Notice of Proposed Action under the Nevada Revised Statutes. The Division has received a complete application to renew Water Pollution Control Discharge Permit NEV88005 from:

SemMaterials
6400 S Fiddler's Green Circle Ste 1750
Greenwood Village CO 80111

The permit is for an evaporation pond serving an asphalt plant at 3901 W Ponderosa Way, Clark County. Boiler blowdown, water softener regeneration, reverse osmosis backwash, boiler bottom blowdown, and cooling tower bleedoff wastestreams discharge to the pond at an average flow of 1860 gpd. The Division has made the tentative determination to renew the permit for a five year term. Comments, objections, or public hearing requests on this matter must be submitted in writing to:

Bureau of Water Pollution Control
Nevada Division of Environmental Protection
901 S Stewart St Ste 4001
Carson City, Nevada 89701-5249

by 5:00 P.M. Tuesday August 21, 2007. Mail postmarked on that date will also be accepted. Hearing requests must indicate the interest of the person filing the request and the reasons why a hearing is warranted. Any public hearing would be preceded by a thirty day public notice period. If no hearing is held, and substantial changes are proposed in response to the comments received, a new public notice period would be conducted for the revised permit.

Copies of the application, proposed permit, and other information on file may be obtained by contacting Robert J. Saunders at the address above or at (775)687-9437 or rsaunder@ndep.nv.gov. In addition, the fact sheet and this notice are posted at <http://ndep.nv.gov/admin/public.htm>. The office fax number is (775)687-4684.
